# OUR ADVANTAGE

Prospack Packaging

## Customized service

We can customize the product to meet your requirements, including the box type, size, and printing options (CMYK and Pantone are both available).

## Quality Control

1. Paper Material is stiff;
2. The glue and ink we use are Eco friendly(water-based ink, soy ink);
3. Each box will checked by our QC staff, we will update the production process and details for you.

## Quality Control

4. Our packaging facility is equipped with a state-of-the-art product laboratory, featuring high/low temperature testing instruments, wear testers, push-pull testers, torque testers, and other professional equipment.

# OUR ADVANTAGE

Prospack Packaging

## Printing Quality

**Germany Heidelberg printing machine**, ensures superior print quality with clear graphics, rich texture, and stable ink performance.

## Packing Ways

**Professional export-grade K=K cartons**, lined with OPP bags and moisture-proof beads for added protection. Also support pallets, corner protection, and strip protection to protect your goods in all-around.

## Earth-Friendly

Our products are 100% recyclable, an eco-friendly solution that's a win-win for everyone.

## Fast delivery

Multiple reliable supply chain support, with multiple logistics and transportation channels. Timely response and professional communication.
